VENEERS

MARCH 4 & 5
BRISBANE
CONVENTION CENTRE

EARLY BIRD DAY 1
LECTURE DISCOUNT

ONLY \$499

IF PAID BY 19th
FEBRUARY 2016

Veneers are the ultimate conservative and aesthetic restorations which can return strength, function and exceptional aesthetics to the teeth.

This jam packed program presented by Dr Michael Mandikos will discuss porcelain veneers in detail. The focus will be on:

- The theory of how they work
- Which porcelain system to choose for each situation
- Preparations for incisors, premolars and molars
- Limitations (how dark is too dark to mask?)
- Temporisation
- Cementation
