PERFECT PORCELAIN VENEERS

**AUSTRALIAN DENTAL
CENTRE OF EXCELLENCE**

154 IPSWICH ROAD,
WOOLLOONGABBA
BRISBANE

**12TH & 13TH
NOVEMBER, 2021**

Dr Michael Mandikos

Veneers are the ultimate conservative and aesthetic restorations which can return strength, function and exceptional aesthetics to the teeth.

This jam packed program will discuss porcelain veneers in detail. Specific focus will be on:

- The theory of how Veneers work, and ensuring success
- Which porcelain system to choose for each situation
- Preparations for incisors, premolars and molars
- Limitations (how dark is too dark to mask?)
- Temporisation
- Cementation

This two day intensive workshop will alternate between theory and practical exercises for two whole days!

Online registration at www.ceodental.com.au

Confirmation of your registration, all course details and your receipt will then be emailed to you.
