## Perfect Porcelain Veneers 2 Day Hands-On Program

Veneers are the ultimate conservative and aesthetic restorations which can return strength, function and exceptional aesthetics to the teeth.

This jam packed program will discuss porcelain veneers in detail.

### What you will learn:

- The theory of how veneers work, and ensuring success
- Which porcelain system to choose for each situation
- Preparations for incisors, premolars and molars
- Limitations (how dark is too dark to mask?)
- Temporisation
- Cementation

*Two days alternating between theory and practical*

Online Registration at [www.ceodental.com.au](http://www.ceodental.com.au)

Each day provides a certificate of 8 hrs of scientific CPD points.
